This Communication is submitted in reply to the Interview Summary mailed on January 11, 2007 in connection with the above-identified application.

Applicants thank Examiner Betelhem Shewareged for the courtesy of a telephone interview on January 5, 2007. The interview focused on support in the application for the feature "wherein the protective layer is not an image recording layer", which was added to Claim 1 in a reply filed on November 10, 2006. Applicants respectfully disagree with the Examiner and maintain that this feature is supported for
